

Hughes' sixth place finish leads Rams at state track

DES MOINES - Glenwood senior Abby Hughes closed out her Glenwood career with a trio of medals at the Iowa State Track and Field Meet last weekend at Drake Stadium in Des Moines.

Hughes, who ran a personal best 1:05.84 to place sixth in the 400-meter hurdles, also anchored the Rams' sixth place 4x400-meter relay and ran a leg on the shuttle hurdle relay that finished eighth.

"I thought the girls did a great job of competing once we got there," said Glenwood coach Bueltel.

Of the 16 entries, the Glenwood girls matched or set season bests in eight of them.

Solon won the girls Class 3A title with a team score of 84. Glenwood's seven points placed them 29th in the team scores.

Hughes joined Jenna Hopp, Allison Koontz and Danika Arnold in running a 4:08.21 in the 4x400. The time was a season best.

The team of Hughes, Destiny Yale, Koontz and Carlie Clemmer ran a 1:08.51 in the shuttle hurdle relay qualifiers before placing eighth with a time of 1:09.52 in the finals. The quartet shaved two seconds off the qualifying time in the finals.

"We felt all year we had a chance to place, just hadn't quite ran the times we thought we were capable of," Bueltel said.

Glenwood's Abby Hughes, shown here on her sixth place run in the 400-meter hurdles, had a hand in three medals at this year's state track meet.

Zoie Carda, Jaylynn Floyd, Jenna Hopp, and Danika Arnold dropped over two seconds off their time and placed 11th.

Madelyn Berglund picked up a 10th place finish in the 3,000 and 15th in the 1,600.

Koontz added a 17th place finish in the 100-meters and Zoie Carda was 22nd.

Carlie Clemmer was 16th in the 100-meter hurdles and Danika Ar-

nold was 23rd in the 200-meters.

Keisi Duran was 15th in the high jump and Jenna Hopp and Charley Hernandez were 10th and 14th, respectively, in the long jump.

The 4x800-meter relay team of Breckyn Petersen, Brooklyn Schultz, Neyla Nanfито and Lauren Hughes was 19th.

The girls sprint medley relay team of Carda, Jaylynn Floyd, Koontz and Hughes was 13th.

Cody Krause was the Glenwood boys top finisher at state after placing ninth in the high jump.

"I just can't say enough good things about this team and how well they did this season," Bueltel said.

On the boys side, Dallas Center-Grimes edged Pella 73 to 71.5 for the Class 3A boys team title.

The Glenwood boys had no place winners this year at state track. After qualifying 16 entries for the state meet, Rams coach Mark Starner knew it would be tough to place.

"There were a couple of events

we had outside chances of placing, but just couldn't get it done in Des Moines," Starner said.

The Rams did, however, set four personal bests by its 4x800-meter and 4x100-meter relays and by Andrew Smith in the 800-meters and Bryant Keller in the 1,600-meters.

Starner said the times across the board were "extremely fast" and the

Knights returning to state golf meet

A year after punching the school's first trip to the state golf, Fremont-Mills is on its way back.

Led by Jake Malcom's fifth place finish, the Knights shot a team round of 355 to place second to district champion Akron-Westfield by two strokes at the Class 1A Boys District Golf Meet at Majestic Hills Golf Course in Denison Monday.

Both Fremont-Mills and Akron-Westfield advance to next week's Class 1A state tournament at the Ames Country Club in Ames, May 23-24.

Remsen St. Mary's Mason Lavern carded an 80 to win top individual honors. Lavern along with runner up Emerson Pratt of Kingsley-Pierson, Cory Bantam of Woodbine and Gehlen Catholic's Dawson Barthole earn individual state meet nods.

Carter Wilken led Akron-Westfield with an 84.

Fremont-Mills coach Greg Ernster couldn't be prouder of his team as they battled a course at Denison he called "brutal."

"I received a lot of info from Hawkeye 10 coaches about even the really good golfers struggle there," he said. "So I just told the kids to relax as much as possible and just let the game happen. We tried. It to talk about going to state more or less play our game."

Malcolm turned in the best score for Fremont-Mills, but it was a double-bogey on the sixth hole that turned the senior - and the Knights' fortunes - at districts.

"We had a quick conversation and he flipped the switch after that and played a really good round," Ernster said.

Also coming up big for the Knights was the 89 turned in by Tucker Stille and a 91 by Caden Blackburn.

"Both shot career bests today. Both have been spending extra time golfing on their own time," Ernster said. "Today it showed."

Cooper Marvel shot a 94 to complete the Knights' scoring.

Both Marvel and Malcom are the rare dual-sport athletes to have earned state bids in two sports this spring. Marvel (shot put) and Malcom (high jump) were both state track qualifiers as well.

"We are very proud of the fact that we have dual sport athletes competing in state," Ernster said. "The hard part will be trying to find time to get a practice round in for them."

Fremont-Mills' Jake Malcom capped his senior season with a fifth place finish in the high jump at the Iowa State Track and Field Meet in Des Moines last weekend.

The senior had a top leap of 6 feet, 2 inches to finish fifth in the 1A field of jumpers.

New London scored 68 points to get by Earlham but just two points for the Class 1A boys team title.

Malcom had all four of the Knights' points. They placed 33rd as a team.

The Knights' Cooper Marvel added a 16th place finish and teammate Adam Perrin a 24th place finish in the shot.

The Knight girls' placed 49th with three points. Nashua Plainfield won the girls team title with 59 points.

Fremont-Mills' girls shuttle hurdle relay quartet of Bella Gute, Hannah Wilson, McKenna Woods and Emily Madison placed sixth in the finals with a time of 1:09.79.

Madison added a 14th place showing in the high jump while Wilson was 15th in the 400-meter hurdles.

Teagan Ewalt was 22nd in the 400-meters.

The East Mills girls' four points placed them 43rd.

range of weather from temperatures in the 90s on Thursday to the cold and wind Saturday didn't help matters.

"But every performer faced the same conditions and we just weren't able to capitalize," Starnes said. "We got a lot of kids an opportunity to compete and get to experience the state meet and hopefully with that experience, our kids got to see first hand what it takes to compete and place at the state meet.

"We'll continue to work hard in the off-season to improve and hopefully get another opportunity to return to the blue oval."

The Rams' highest finishes came from Cody Krause in the high jump and Keller in the 3,200. Krause had a top leap of 6 feet, 2 inches in the high jump to finish ninth.

"It came down to Krause on his

final jump at 6-foot-2, if he clears the height he places," Starnes said. "The Bishop Heelan athlete cleared his jump on the final height and Krause missed his final jump. Both (teammate) Kord (Ostrander) and Cody cleared 6-feet and both were easily over 6-foot-2, but just couldn't find a way to keep the bar on the standard."

Keller was 10th in the 3200m with a time of 10:08.60.

"Bryant didn't run his best time, but was in a position to score, however heat on Thursday played a critical role with all the distance runner's times," Starnes said. "Bryant competed to the end and just came up two places out of scoring and getting a medal."

The Rams 4x800-meter relay team of Smith, Jake Shannon, Andrew Williams and Keller finished 14th with a time of 8:30.34, six sec-

onds better than their season-best.

Smith ran a personal best in the 800, running a 2:02.65.

"Andrew got out, but got boxed in during the first lap which hindered him in being able to stay with the front pack," Starnes said. "He recovered on his second lap and was able to run his personal best by a second and a half. This was a great experience for Andrew, who also qualified in the same event last year. Andrew is confident and determined to get back to the blue oval and crack the sub 2:00 barrier."

Keller's time of 4:33.93 in the 1,600 was sixth fastest clocking in the event in Glenwood history.

"Although he placed 17th, the 1600 was loaded this year and he was just six seconds out of a medal contention," Starnes said.

The 4x100 relay team of Antho-

ny Driscoll-Lee, Jackson Mulkins, Colby Frye and Brock Sell ran a season's best time of 44.59 to place 22nd. The 4x200 relay team of Krause, Payton Longmeyer, Austin Patton and Brock Sell was 19th and the 20th place sprint medley relay of Krause, Frye, Sell and Cooper Delashmutt all ran similar times of their qualifying mark but finished with a higher placing than they qualified.

Glenwood's shuttle hurdle relay team of Anthony Driscoll-Lee, Grant VonEssen, Kaden Petersen and Tyler Boldra just missed qualifying for the finals and finished 12th.

Krause added a 14th place finish in the long jump and Driscoll-Lee was 16th.

Brock Sell finished 16th in the 100-meters and Boldra placed 12th in the 110-meter hurdles and 15th

in the 400-meter hurdles. Driscoll-Lee added a 14th place showing in the 110-meters hurdles.

"We've had a great year," Starnes said. "We won several meets, we were conference runners-up, state qualifying meet champions for the 10th time in school history and we qualified 16 entries to the state meet. We took a lot of kids to the state meet and several of them will return next season.

"For our seniors, I know they didn't get to bring home any hardware from the state meet, but we're super proud of their accomplishments throughout their career in our program and thank them for allowing us to be part of their story and helping make Glenwood track and field what it is today."

Glenwood softball aiming for big bounce back year

By JOEL STEVENS
ASSOCIATE EDITOR

Coming off an 11-21 campaign last season, Glenwood softball coach Kylee Stanton hopes to see her team make big strides this season.

In team play and in team chemistry.

So far, the coach has seen improvement – in what limited time she's had her full roster – in how players are communicating and how supportive they are for each other. An issue, the coach said, that didn't always come through in last year's disappointing season.

"I think we have a more unified team this year," said the coach. "I feel like we have a bunch of girls that want to play for each other. They want to play for the school. They want to play for the coaching staff. Which is great. It feels like we're more gelled this year. They're constantly picking someone up when something goes wrong."

"That's something we were lacking last year. We just didn't have that communication to want to support each other all the time."

Many of Stanton's players are multi-sport athletes, meaning with a busy spring she hasn't had a lot of opportunities to see a fully complimented roster. But that doesn't mean she hasn't seen work being put in.

"That's the hardest part," she said. "We see bits and pieces but we don't see the complete hole. We have ideas but until we actually see everything all together, things can change."

Stanton said most of her multi-sport players find time in the batting cage after practice and get in some soft toss when they can.

"This is what we have to work with but they all put their time in," she said. "Building unity as a team, that family vibe we're driving for, is hard to build but we working on it."

The Rams lost two senior starters but return eight players that started at least a dozen games last season. Experience up and down the lineup should be plentiful.

Senior Coryl Matheny and freshman Alli Kootz lead the Ram returnees. Matheny, who earned first team All-Hawkeye 10 Conference honors last season as a shortstop, hit .396, belted six home runs and drove in 19 runs a year ago.

Kootz, who led the Rams with a .431 batting average as an eighth grader last season, is back. She also drove in 18 runs and smacked seven doubles. The freshman also made 10 starts in her 23 appearances in the circle, striking out 72 in 87.2 innings.

Stanton said Kootz has a "good mixed bag" of pitches but her strength is probably her drop ball and her changeup.

"She will slide into that number one pitching role," Stanton said. "She wants the ball in her glove and she wants to go get it and that's a good thing."

How the lineup shapes out, could take a few games, the coach admits. But she isn't worried about any one position or her team's ability to put the bat on the ball. That doesn't mean she doesn't have questions, however.

"Honestly, I don't worry," she said. "It's just figuring out which defense is our best defense. Is it better to leave (senior) Maddie Barrett in left field or is better for me to put Maddie Barrett at second base and finding someone else for left field and shift people around. We just need to play a few games and get some girls back from spring sports and figure it out."

2021 Record: 0-25 overall
(0-10 in the Corner Conference)

■ After a winless campaign in 2021, the Wolverines have more question marks heading into the season than answers. What is known is top two leading hitters Aspen Crouse (.340, 9 RBIs) and Nadia Gray (.349, 4 RBIs) return for a team that struggled to score runs last season (2.5 runs per game). Also back are the team's top two pitchers, Miah Urban (0-11, 30 strikeouts, 12.10 ERA) and Dayann McGrew (0-12, 3.94 ERA) who combined to throw 98 of the Wolverines 98 1/3 innings last season.

■ The Knights have plenty of holes to fill from last season's team but return first team all-conference player Lily Crom (.388, 20 RBIs) and a handful of players that played key roles last season. Also back are second team all-conference players Macy Mitchell (.281, 17 RBIs) and Malea Moore (.307, 10 RBIs). Izzy Weldon, who was a

Glenwood Rams

2021 Record: 14-15 overall
(11-9 the Hawkeye 10 Conference)

■ Glenwood returns a strong nucleus of a team that hit .343 as a team and scored an average of seven runs per game. Leading those returnees is Kayden Anderson. The sophomore hit a blistering .505 last season with 24 RBIs and 32 runs scored. Also back are Trent Patton (.377, 2 HRs, 29 RBIs), Austin Patton (.418, 25 RBIs) and Jayme Fritts (.385, 20 RBIs). But if the Rams are to snap a streak of back-to-back losing seasons, they'll need more than just their bats to lead them. They'll need consistency out of their defense and pitching staff to compete in a highly competitive Hawkeye 10. In all, the Rams return three pitchers who made at least five starts a year ago. Anderson and Fritts each started nine games and Risto Lappala six. Lappala went 4-1 on the mound with 33 strikeouts in 33 2/3 innings while Anderson was 3-4 on the hill and Fritts 2-4.

East Mills

2021 Record: 6-16 overall
(5-5 in the Corner Conference)

■ The Wolverines return a strong core at the plate in junior outfielder Mason Crouse (.298, 7 RBIs, 21 stolen bases), outfielder/pitcher Ethan Meier (.194, 9 RBIs), first baseman Andrew Jackson (.258, 13 RBIs) and outfielder Zach Thornburg (.204, 14 RBIs). On the mound, three starters return that made a combined to make 24 appearances. Leading the returnees are Meier (2-4, 37 strikeouts, 5.42 ERA) and Jack Gordon (1-2, 6.59 ERA). If the Wolverines are to improve on last season's record they'll need to be consistent offensively after averaging five runs a game last season while hitting .195 as a team.

Fremont-Mills

2021 Record: 5-11 overall
(5-5 in the Corner Conference)

■ The Knights returns 10 players that made at least 10 starts a year ago. Leading the group of returners is leading hitter outfielder Brady Owen (.317, 8 RBIs) and the team's top starting pitcher, Tyler Johnson (3-3, 72 strikeouts, 3.33 ERA). Also back are Kyler Owen (.282, 6 RBIs) and Jake Malcom (.270, 4 RBIs). If a deep pitching staff with eight players back who made at least one start can round out and the bats can get more consistent at the plate (.195 as a team, 3.6 runs per game last season), the Knights could be a contender in the Corner Conference this season.

With three goals in Glenwood's postseason win over Carroll Thursday, Caden Johnson broke the school record for goals in a season with 29.

Glenwood wins district opener

By JOEL STEVENS
ASSOCIATE EDITOR

Glenwood soccer coach Cort Lovato knew exactly what he wanted out of his team's postseason opener.

"I always want a blow out so I can get guys off the field, get no one injured and play the minimum minutes required," the coach said.

Lovato got his wish. The Class 2A, No. 9 ranked Rams (14-2) needed a little time to get heated up but then exploded for eight goals in the final 20 minutes of the first half en route to a 10-0 victory over Carroll in its Substate 8 opener Thursday at the Glenwood Activities Complex.

"They play in a tough conference, and they did well the first 20 minutes," Lovato said.

The Rams' first goal came eight minutes in, their second 15 minutes in and their third, 20 minutes in. After that third goal, the Rams then scored their next three goals in a three-minute span. But it was the first three goals that took the fight out of the Tigers.

"Their coach said once we got our third, their heads went down and they were just trying to hang on," Lovato said.

Caden Johnson and Jade Nanfite both scored hat tricks in the win. Johnson's three goals gives his 29 on the season, eclipsing the single season record of 28 held by former Ram great Kirk Artist.

"On paper, he's had one of the best seasons in Ram soccer history," Lovato said, adding Johnson is second in the conference in assists with 10 on the year.

Jayme Fritts, Thomas Nieman, Adam Severn and Cameron King each added goals.

Glenwood was scheduled to play Winterset (5-12) in Monday's regional semifinals. Results of that contest were not available as of publication.

Glenwood 2, Denison 1

Caden Johnson's goal with 51 seconds left in the game lifted Glenwood a 2-1 victory over Denison on the road in Hawkeye 10 Conference boys soccer Monday, May 16.

"You have to give Denison credit, they were active than what we anticipated but at the same time our guys, for whatever reason, were off a step," Glenwood coach Cort Lovato said. "Passes we normally connect; we weren't in the correct spot, and we were behind. We didn't pass or connect as much as we normally do, and we had to play through that."

Johnson scored both of the goals for the Rams who wrapped up their regular season with a record of 13-2 with the win. Johnson's first goal came off a nifty pass over the back like to Johnson and his game-winner came on a roller that snuck in past the Monarch keeper. Edin Barrios had the goal for Denison.

Ava Scott, Alaina Meads and Liberty Williams scored two goals each to lead Glenwood to a 10-0 victory over Creston in Class 2A, Region 2 opening round play Friday at the Glenwood Athletic Complex.

Ryley Nebel opened the game with a goal just five minutes in and then a Creston own goal four minutes later kicked off the rout.

"The girls really wanted to play as a team this game," said Glenwood girls coach Amy Benson. "They accomplished just that. They moved the ball around well. We had a lot of different goal scorers as well."

Isabel Griffin and Molly Williams each added goals to completes the Rams scoring.

Glenwood was scheduled to play Adel-DeSoto-Minburn (9-7) in last night's regional semifinals. Results of that contest were not available as of publication.

Molly Williams was one of six different Rams to score a goal in Glenwood's 10-0 victory over Creston in regional play.
