Glenwood grad will play for rugby national title

Nick Gill admits he was a late bloomer when it came to rugby.

A one-time football player with a penchant for defense and hard hits, the 2019 Glenwood Community High School graduate didn't take up rugby until he was a junior in high school.

Just over five years to the day of playing his first rugby match, Gill will start at inside center for the Men's Rugby Club at Iowa State in the Division 1-AA rugby national title against the University of San Diego in Boulder, Colo. May 6.

Gill wouldn't call his rise in rugby as meteoric. He paid his dues for the Cyclones, working his way up from B-side – junior varsity team - to substitute, to full-time starter.

But when he first took up the sport, he was a novice.

Gill got his first taste of rugby in high school when he joined the Full Armor Glenwood Rugby Club at the behest of friends Eli and Isaac Bales, both standout players on the team. Gill was intrigued by the physicality of the game and the no-pads, all contact aspects but knew little about the intricacies of the game.

"I knew it was a little like soccer and football combined and you could hit people and run with the ball," he said. "I wasn't sure what my parents would think of the no-pads

Glenwood built an early 4-0 lead and held on late in a 5-3 victory over Maryville, Mo. Saturday at the Glenwood Athletic Complex.

The Rams built a dominant early 4-0 lead just 25 minutes into the match before Maryville found the back of the net off a rebounded penalty kick.

Maryville came out stronger in the second half. A quick pair of goals cut the Rams' lead to 4-3. Glenwood was able to add another insurance goal with about two minutes left to ice the win.

"I was proud of how strong we came out again," said Glenwood coach Amy Benson of her team's mentality after giving up two quick second half goals. "Maryville didn't quit even after being down three goals at halftime. The girls showed true grit battling it out until the final whistle to earn the win."

Rams competitive at Drake Relays

BY JOEL STEVENS

ASSOCIATE EDITOR

There were no medals won by Glenwood at the 113th Drake Relays last weekend.

But that doesn't mean the meet gathering the best track and field athletes the state has to offer was a wasted trip for the Rams.

"I thought our girls ran well," said Glenwood girls coach Jordan Bueltel. "It's always nice to see some great competition and in both the 4x100 and 4x400we were racing against teams in the top 24 in the state. This really gave us a nice measuring stick to see where we are at and let us know what we've got to do to be better and hopefully running there again in a few weeks."

The quartet of Brooklyn Schultz, Breckyn Petersen, Jenna Hopp and Danika Arnold entered with the 18th best time in the state and bettered that by running a 4:07.30 to finish 16th.

The Rams' 4x100-meter relay team of Zoie Carda, Hopp, Arnold and Jaylynn Floyd posted a time of 51.04 to place 39th.

On the boys side, the Rams' Reagan Skarnulis was 10th with a top throw of 52 feet, 1.75 inches in the shot put and the 4x100-meter relay team of Jackson Mulkins, Anthony Driscoll-Lee, Trey Darden, Payton Longmeyer was 39th with a time of 51.04.

Glenwood second at Red Oak

The Glenwood boys picked up a second-place finish at the Tiger Relays Friday in Red Oak.

Atlantic won eight events and tallied 193 points to win the team title. The Rams were the runner-up with 133 points.

The Rams got gold medal individual performances from Reagan Skarnulis (shot) and Logyn Eckheart (discus) and a relay gold from the 4x100-meter relay team of Jackson Mulkins, Keaton German, Tristan Meier and Payton Longmeyer.

Ethan West Picked a pair of second place finishes in the 1,600-meter and 3,200-meters.

Rams sweep co-ed relays

The Glenwood girls and boys track teams closed our their home schedules with a sweep of the team titles at their own 29th annual Co-ed Ram Relays last Monday at the Glenwood Activities Complex.

The Ram girls racked up 156 points to easily outpace runner-up Council Bluffs Lewis Central's 100.3 points. The Glenwood boys finished with 136 points to the second place Titans' 113 points.

In all, Glenwood's girls won seven events on the night and finished second or third in five more.

"I cannot state how proud we are of these girls," said Glenwood girls coach Jordan Bueltel. "From top to bottom of the lineup these girls turned in some of the best performances of the year. It is easily the best meet we have had this season. From varsity to JV our goal all year is to be at our best at the end of the season and I think the girls have really taken that to heart and it is really starting

Jenna Hopp had a hand in four of those gold medals. The senior won the long jump and ran legs on the gold medal winning 4x100-meter, 4x200-meter and 4x400-meter relavs.

Zoie Carda won the 100-meter dash in 12.86 and was a part of both the 4x100-meter and 4x200-meter relays.

The Rams also claimed gold in the 4x800-meter and distance medley relays (4:33.53).

The Glenwood boys won five

events on the night. Anthony Driscoll-Lee won

both the long jump and the 110-meter hurdles, Andrew Smith won the 800-meters and Bryant Keller the 1600-meters.

The Rams also claimed the top spot in the 4x400-meter relays.

heard I could actually score - they call it a try in rugby that sold me," he said.

"Being a linebacker, I was taught in Glenwood really safe tackling form so that helped and then with passing (the ball) there's something about the feel of the ball in my hands that felt a lot like

being a long snapper." He recalls those first few practices as unsure and shakey. It took him a while to get the game down and understand the rules and his position.

But then he got to his first

game. Played on sloppy, muddy field with temperatures in the 30s during a sleet storm, the conditions were far from ideal. And it that couldn't

have mattered less to Gill.

"It was probably the worst conditions possible to play in and I just remember we all came out together wearing no sleeves and no cold weather gear and saying we're going to tackle through it," he said.

He can still recall his first tackle – "The guy was probably twice my size," he said – and getting thrown the ball and colliding full speed with a defender 20 yards down the

field. "I knew right then, I love

this game," he said. His talents carried him to Iowa State – after considering joining Isaac Bales at the University of Louisville – where he's been a four-year flow of our structure movcontributor for the Cyclones. ing."

He earned Heart of America Conference honors this sea-

Gill mainly plays the inside center position, which requires a very hard and powerful runner on offense who also loves to tackle. Inside centers are used for the short tough running game of rugby like a fullback in football. He also does some kicking for the Cyclones.

"We're kind of the playmakers," he said of his positional duties. "Our job is distributing the ball out wide, whether it's to our forwards to set up in a pod of three or swinging wide our backline guys that are quick. We keep the ball movement and the Cyclones defeated Minnesota in the Heart of America Conference title game to advance to nationals. They won Cyclones – in the national championship game with a State in Houston in the final a part of.

them, but they were very defensively sound," Gill said. His team led 19-7 at the half but couldn't shake the Bearkats' physical play.

"It was their home field, and they were used to the heat and humidity. It was a very mentally tough game. they were the best defensive last year, so we didn't get to others."

In March, Gill and the team we've played all year. Physically we knew this was going to be tough game the first 20 minutes. The second half we had some injuries, their spot – the first for the but we held them off at the very end."

Gill calls the semifinal one 36-29 win over Sam Houston of the best games he's been

"Just how much it meant "We didn't have much on and to see everybody battle through like we did, we were so gassed and tired, it was great to see," he said.

"It feels great to be a part of this. When I came in, I played mostly B-side (junior varsity) and I feel like I finally got my start last fall. Being a part of this team We didn't do a lot of the little has been great. We lost in stuff when we got up and our conference semifinals

make nationals. This was our goal this year. Meeting those goals this year has been great for me and the team."

Regardless of the outcome in the title game, Gill doubts it will be the last time he lines up on the pitch. A senior criminal justice major who also serves in the Iowa National Guard, Gill's next stop after graduation will be active duty. Where exactly, he's not sure. But he hopes they have a rugby team.

"I've looked into it (playing) wherever I'm stationed to see if there's a club team there," he said. "And if not, I'd like to get into coaching. I'd love to give back what I love. I love rugby and I'd like to share that passion with

Board of Supervisors

The Office of Mills County Auditor **Carol Robertson Mills County Courthouse**

Glenwood, IA The Board of Supervisors met this 18th day of April 2023, at the Mills County Courthouse in Glenwood with Supervisors Lonnie Mayberry, Carol Vinton and Richard Crouch present. The meeting opened with the Pledge of Allegiance.

Motion by Crouch, seconded by Vinton to approve the Consent Agenda and Minutes as presented from April 11, 2023, Iowa Retail Permit Tobacco License for Rolling Cigars of the Heartland, LLC, Mobile Vender/Cater, April 15- June 30, 2023, and a Liquor License for Dollar General #2460, Class B Liquor License. Motion carried on vote: Ayes: 3, Nays: 0
Jacob Ferro, Mills County Engineer,

was present for his scheduled meeting. Motion by Crouch, seconded by Vinton on approval to purchase 2 new laptops and adapters from CDW in the total estimated amount of \$2,455.32, which he has allocated in his budget Motion carried on vote: Ayes: 3, Nays:

Motion by Vinton, seconded by Crouch for approval of a driveway variance for Mark Hughes at the area of Ashton and Applewood on 230th ST. Site distance is 465' Pottawattamie County is across their driveway. Mills County Ordinance is 495' but safety was not a concern.

Motion carried on vote: Ayes: 3, Nays:

Mark Anderson and Greg Johnson, representing ECHO, joined the meeting to discuss a driveway variance for Echo on Bunge Ave. which had been denied for separation due to our ordinance. Both Ferro and the Board are aware of the increase in traffic on Bunge and the importance of proper placement of driveways for future growth and safety. Ferro would like to have an engineering traffic study done with a team of engineers looking at the area to come up with the best solution. The Board suggested ECHO widen their entrance to help with the turning of trucks in and out of their drive. Discussion of future plans already have the county widening part of Bunge Ave and possibly adding a middle turn lane, however, these changes are not in the near future. Motion by Crouch, seconded by Vinton to approve the driveway variance and a widening of the driveway not to exceed 60 feet. Motion carried on vote: Ayes: 3, Nays: 0

Motion by Vinton, seconded by Crouch to approve Driveway Variance for Henry Clark off 315th ST, which had been denied due to separation. The Engineer said the site distance is adequate and there were no safety concerns. Motion carried on vote:

Aves: 3, Nays: 0 Motion by Vinton, seconded by Crouch to approve a driveway variance for Chad Durham at 22911 Cattail Bend, to widen width of driveway to match, not to exceed the width of the attached 3rd car garage. Motion carried on vote: Ayes: 3, Nays:0 Don Gamble joined the meeting for his scheduled appointment. There were 11 taxpayers who joined Mr. Gamble with concerns on Eastman RD and their concerns were the dust on the road and the type of rock the County purchases, Keith Calloway shared some ideas of things the County could possibly put on the roads as done in other states. Nick Jameson, who is employed by Schildberg where we get our rock, spoke to the public concerns regarding the rock. Jameson explained we have a few factors now that we didn't 20+ vears ago when the residents say there wasn't a problem. Very dry conditions, more people in the area and heavy equipment. Jameson said the rock is tested and is actually much cleaner than in years past. One resident felt the County should buy the equipment and put our own calcium chloride on the roads. This would be a huge expense for the County. The Engineer will continue to explore options to remedy the concerns that he can physically deal with.

Brad Myers joined the session at this time with the Treasure, Recorder, Engineer and County Attorney Motion by Crouch seconded by Vinton to open the Public Hearing at

10:02 a.m. for FY23-24 Budget & Ex-

ceed Property Tax Levy hearing. Mo-

tion carried on Roll call vote: Crouch Aye, Mayberry – Aye, Vinton – Aye The first hearing provided information that the County will be exceeding the Rural Services levy from \$3.95/\$1000 to \$4.53814, this increase will increase the tax dollars to \$518,397 to meet expenditures in the Rural Service portion of the County

There were no questions written or Oral received prior to the meeting. The 2nd Hearing to approve the FY23-24 Budget was held.

Mr. Meyers asked for clarification

on the levy and what the County levy would be. The Auditor stated it would be \$11.25226 which does not include Assessor, Ag Extension or TB-Bruc. From State. Motion by Vinton seconded by Crouch to close the Public Hearing at 10:08 a.m. for FY23-24 Budget

& Exceed Property Tax Levy hear-

ing. Motion carried on Roll call vote:
