# **Glenwood sweeps home invite**

The Glenwood girls and boys track team swept the team title at their own Glenwood Cross Country Invitational Saturday at Glenwood Lake Park.

The Ram boys, ranked No. 4 in Class 3A and the girls, ranked No. 5 in 3A, ran away from the field in both races to win the team titles. Without top runner Bryant Keller, who was held out for precautionary reasons because of some leg soreness, the Rams still placed seven runs among the top 15 finishers and tallied 46 points. The girls were no less dominant, finishing with 42 points behind seven runners among the top 22.

Glenwood boys coach Todd Peverill thought his team was poised for a good day but even he was surprised.

"They ran great," he said. "When you have eight of the top 17 runners, that's unreal. With running junior varsity and varsity together I knew it was going to be beneficial for us because of our depth. I did the calculations and our J.V. would have finished sixth in the scored them as varsity team."

Andrew Smith led the Glenwood boys with a fourth-place finish time of 17 minutes. Dillon Anderson added a ninth-place finish followed by Kevin Coots in 10th, Liam Hayes in 11th, Jackson Griffin in 12th.

"We had four guys, our second, third, fourth and fifth runners, all finished within 15 seconds of each other," he said. "That's an incredible spread and then you look at our first through our fifth runners and it's only 1:15. That's pretty special. We're

a strong team."

Peverill said it wasn't easy to talk Keller, a state qualifier a year ago, out of running at the meet.

"He had some soreness, and we didn't want to take a chance," Peverill said. "We didn't think we'd need him to win the meet, so we rested him for

Pella this week. He knew why we had to do it. We're worried more about the state meet than this meet so we didn't want to take a risk we didn't have to."

The Glenwood girls were led by Madelyn Berglund's fourth place finish time of 20:20. Lauren Hughes added a sixth-place finish, Breckyn Petersen was ninth, Emerson Griffin 10th, Brooklyn Schultz 14th and Haylee Hughes, 19th.

Glenwood girls coach Marissa Klindt was very excited about how her team performed and can't wait to watch them continue to compete.

"We thought all our girls ran very

well," she said. "We had our five scorers in the top 14, which is exactly what we want to continue to do. In the first half of the race, we had three girls (Petersen, Griffin and Schultz) pack running, and we want to work

East Mills won the consolation bracket and finished 3-2 at the AHSTW Tournament Saturday in Avoca.

In pool play, the Wolverines (5-2 overall, 1-0 in the Corner Conference) defeated Essex 21-12, 21-10 and lost a pair of really close and exciting matches to Atlantic 23-25, 21-23 and Riverside 18-21, 18-21. Finishing third in pool play, the team regrouped and took care of business by defeating Earlham 21-8, 21-6 and the host Vikings 21-7, 21-11 in the consolation bracket championship match.

"The Atlantic and Riverside matches were tough and could have gone either way," said East Mills coach Connie Viner. "We struggled at times with passing to get our offense going but the girls stayed up and fought every play. A great team effort all day."

Emily Williams and her 35 kills led the Wolverine attack on the day. Evy Stoakes smacked 21 kills down and Jaimee Davis 17.

Miah Urban guided the offense with 75 set assists while serving 33-of-34. Williams led the defense with 43

digs.

#### Wolverines open season with 2-0 start

The East Mills volleyball team opened its season last Thursday with a triangular at Southwest Valley High School.

The Wolverines knocked off the host Timberwolves 25-8, 25-15 and Essex 25-6, 25-12, 25-12 in a Corner Conference match.

"The girls came out ready to play and it was a great start to our season with a couple wins tonight," said East Mills coach Connie Viner.

Emily Williams led East Mills with 18 kills combined in the two matches. Evy Stoakes added 12 kills.

Miah Urban dished up 32 set assists and 14 digs.

As bad starts go, it was pretty bad.

In the opening 1:46, Glenwood returned the opening kick-off for a touchdown only to see it nullified by a penalty, turned the ball over and then allowed Atlantic to get on the board on its very first offensive snap, a 47-yard touchdown toss.

And yet, the Rams never folded. They scored 21 unanswered points over the next 11 minutes and cruised to a 43-27 win at the Glenwood Athletic Complex Friday.

Glenwood coach Cory Faust gave his team mixed reviews following the win. He stopped short of calling the victory the "big step" he looked for following the season-opening loss to Sioux City East but found the results hard to argue with.

"A win is a win," he said. "We should celebrate every time we win a football game but overall, I'm a little disappointed with some things I saw. I didn't have them ready to play or they weren't ready to play, and it was a combination of things we can control."

Following the Trojans' first scoring drive, the Rams went right to work. A touchdown pass from Kayden Anderson to Payton Longmeyer opened the scoring and Glenwood got its ground game going with a pair of touchdown scampers by Tate Mayberry to take the 21-7 lead.

Anderson would connect with Cody Krause on a TD pass and Mayberry would run another in and the Ram defense would block a punt for a safety to put them in control 36-14 at the half. The two teams traded in the third quarter before each found the end zone midway through the final frame. Trojan quarterback Caden Anderson would connect with Colton Rasmussen on a 47-yard TD pass to trim the lead to 43-27 with 3:21 to go. The Rams would recover the high-arcing on-side kick on the ensuing possession.

Glenwood tallied 295 of their 419 total yards in the first half. After running for just 15 yards on 17 carries a week ago, the Rams rushed for 74 yards on 24 carries Friday. An improvement, but not where Faust wants his team to be.

"We do have a lot more of offensive package that we're capable of running," he said. Some injuries have kept us from doing that, but we have to establish the run better than we are right now."

Anderson had his second straight 300-yard passing night, finishing 18-of-28 for 345 yards and three TDs. Krause hauled in six passes for

181 yards and two scores. Longmeyer finished Much like last week when the Rams surrendered with five catches for 56 yards and a TD.

The Ram defense still has Faust perplexed.

more than 600 yards, the coach spent time going through scheme and realtime playback with his team on a sideline monitor throughout the game. Atlantic finished with 457 total yards.

"I knew Atlantic had some good players and we knew some things might happen but it's the way things happened," the coach said. "I'm okay if they make plays to beat us but when we beat ourselves by just not playing our base technique and lining up right and doing our job, that's unacceptable if we're going to be a good football team.

# Wolverines go on road for win at Woodbine

#### **By JOEL STEVENS** ASSOCIATE EDITOR

East Mills blew open a 12-point halftime lead with a 29 unanswred second half points in a 55-14 rout of Woodbine Friday in Eight-player football.

The Wolverine defense returned two interceptions for touchdowns and blocked a punt for a touchdown in the win.

East Mills co-head coach Kevin Schafer said the game was much closer

than the score indicated.

"We were out yarded 389 to 277 and ran less than 10 offensive plays in the second half," Schafer said. "Defensively, we did create a lot of turnovers. We also blocked a punt for a touchdown. That is also why we didn't have the ball much in the second half and why they had more yards than us. We bent but did not break on D, and offensively we moved the ball efficiently."

Quarterback Zach Thornburg, making his first varsity start, completed

6-of-10 passes for 115 yards and a touchdown and rushed for 79 yards and three TDs to lead the offense.

Ryan Stortenbecker picked up 83 yards rushing and a touchdown on offense and picked off a pass for a touchdown and wrapped up eight solo tackles on defense.

Woodbine did out-gain East Mills 389 to 277 but they turned the ball over five times. Freshman quarterback Brodyn Pryor finished 19-of-41 with 283 yards, two TDs and four interceptions.

# Cougars hold off Fremont-Mills' comeback attempt

**BY JOEL STEVENS** ASSOCIATE EDITOR

Collin Bower's interception ended Fremont-Mills' fourth quarter rally in a 26-25 loss to Cumberland-Anita-Messina Friday in Anita.

The Knights trailed 26-13 in the Houten, Braxton Blackburn and Taylor fourth quarter before trimming the lead to one with a pair of touchdowns.

Fremont-Mills totaled 393 yards on the night, 262 of them coming on the ground. Luke Madison led the way with 121 yards on 11 carries. Payten Van-

Reed each scored a touchdown rushing. Reed was 3-of-13 passing for 31 yards

in his first start at quarterback. Chase Spieker threw for 186 yards

and two touchdowns to lead the Cougars.

"I'm proud of guys and I love our team," Faust added. "I just know we can be better."

Glenwood heads out on the road Friday to face Class 4A, No. 3 ranked Indianola (1-0). Kickoff is set for 7 p.m.

G – Cody Krause from Anderson, 57 pass (conversion failed). G – Blocked punt, safety. G – Mayberry, 9 run (kick

"We'd love to have them running together more too," she said. "We had a lot of great things happen for us at all levels, with several personal career records.

# Words can be forgiven, not forgotten

We will never rise above or go beyond what we believe and what we speak. It's a spiritual revelation to comprehend that words have power and where there is privilege there is also responsibility. I realize that we have much to pray about, but this request is crucial if we are to live a holy life of integrity and respect. "Set a guard, O Lord, over my mouth; keep watch over the door of my lips" Psalm 141:3. Since what we say is what we think, it would be wise to monitor what we listen to and what we speak. Communication not only shapes our views while influencing our thoughts and behavior, but words also expose who we really are as we can learn a great deal about a person when we hear them talk. The word fire produces a variety of emotional responses when used in different environments. For example, pleading for fire when we are rubbing two sticks together is a positive response especially when we are camping out in the cold weather and are hungry. However, screaming the word fire while in a crowded theater brings a negative reaction of fear and panic. As James chapter three points out, an evil tongue may be small but it can destroy the world.

Words can accomplish God's intentions and carry us to amazing places, but, unfortunately, they can also lead us into situations we wish we had never known. As children, many of us quoted this little rhyme, "Sticks and stones may break our bones, but words will never hurt us" which was a courageous stand as we were being threatened or made fun of, but we realized after we grew up that in most

Dr. Billy Holland **Religion Columnist** 

cases, words were actually more emotionally painful than if we had been physically assaulted. There's a good chance that you remember when someone said something that caused you to feel rejection and pierced your soul. Maybe negative words from a parent, teacher, coach, a friend, a bully from school, or the neighborhood, and unfortunately these painful wounds will always be remembered. Thankfully, some individuals change over the years as they recall the bad things they have said and are convicted to apologize and make things right as they realize that foolish people say

foolish things. On the other side of the two-edged sword of words, it's astounding to understand they also have the power to bring inspiration, encouragement, and healing. In Proverbs 16:24, the Holy Spirit relayed to king Solomon that highly sensitive people are discreet and careful to use good judgment with their speech while the uncaring do not plan or consider what they say. We know this is true because we have been comforted by God's promises of hope and from those who deeply care about us. In the ancient world, honey was the sweetest substance available, and Solomon was intentional with his imagery as he penned these words, "Pleasant words

soul and healing to the bones." We have the opportunity to filter our speech through the Holy Spirit, but it's our choice to apply spiritual principles or ignore them. The person who is wise and desires to walk in the awareness of God's presence will learn to have control over their carnal nature. Our emotions are only interested in pleasing our flesh, but God's will is about His desires and how He wants us to live.

One command associated with obedience to God is to develop spiritual sensitivity and self-control which are included in the fruits of the Spirit. As a result of choosing words wisely, our communication can become an important relay of God's message. The Lord wants His people to reveal His character, and listening to individuals who follow His voice motivates us to embrace this beautiful way of connecting with others. Those who disregard spiritual discernment and do not care what they say are quite familiar with the flavor of their foot. "Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen" Ephesians 4:29. Let us consider that what is in the well will come up in the bucket. In this light, we realize that negative and are a honeycomb, sweet to the destructive words are not the

### Absentee ballot requests being accepted for election

Iowa voters can now begin submitting requests for absentee ballots for the Nov. 8 general election.

Forms may be requested from the Mills County Auditor's Office in person, through the office's website, over the phone by calling 712-527-3146 or on the Iowa Secretary of State's website.

Requested ballots will be mailed out starting Wednesday, Oct. 19.

For additional information regarding absentee ballots and the general election, contact the Mills County or Fremont County Auditor's Office.

Fun By The Numbers Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

> 6 3 7 2 5 2 oooogy 5 6

#### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
